Subject: proxies for annual meeting

Dear Homeowners,

You should all have received your notice of our annual meeting on May 10th. That notice informed you there will be no election because only 5 candidates ran for election, and with a 5-member board, those candidates automatically become next year's board members.

Even though there is no election, we must still hold the annual meeting, during which the new board will formally take its place. If you are not attending the meeting in person, please sign the proxy that was enclosed with the meeting notice and mail or deliver it to Ameri-Tech prior to May 10th.

The purpose of the proxies is to help establish a quorum and allow us to hold the meeting. So, it is very important that we receive your signed proxy prior to the meeting.

We appreciate your cooperation. If you did not receive a proxy or have any questions about the proxy, the meeting, or the election, please feel free to contact me or our property manager, Tom Priester, at 727-776-8000.

Thank you,
Jane Somers
President, EWS4
